## Message from Your President and Public Policy Chair

*Carol Tempel and Ellie Setser*

Many of us were inspired by Lobby Day at our AAUW National Convention in Washington DC. We vowed that upon our return we would establish a Lobby Corp and travel to the State House in Columbia SC to lobby our legislators on issues we know are important to women and girls.

Join us on **Tuesday, March 20 in Columbia SC from 10:30 to 3:00 pm.** At 10:30 we will meet on the Capital steps for a briefing, hold a press conference, tour the State House, lobby the House members at noon, attend appropriate subcommittees, and lobby the Senate at 2:00 pm. With a fairly tight schedule, please bring a brown bag lunch.

One week before Lobby Day we will host a phone conference with participants. Also, if you do not know who your legislators are go to: <https://www.scstatehouse.gov/legislatorssearch.php> to find yours.

Please let us know you will be on the Lobby Team and attend SC AAUW Lobby Day, 2018.

**RSVP to Ellie Setser, [rhsetser@aol.com](mailto:rhsetser@aol.com)**
